NOW, MORE THAN EVER, YOUR SUPPORT IS VALUED! It's time to start planning for The MxCC Classic, presented by the Middlesex Community College Foundation to support student scholarships and resources for needed enhancements at Middlesex Community College. This year's Classic is scheduled for Friday, June 5th on the fabulous Robert Trent Jones Course at Lyman Orchards Golf Club, ranked as one of the top ten public golf courses in the state (check it out at www.lymanorchards.com).

Our educated students are an invaluable community asset, and we can help make their dreams and abilities come true. There's good news too: student registrations at MxCC this spring are up nearly 8 percent. But, at the same time, the college's state funding is severely pinched. You can help make a difference!

Please consider a Business Sponsorship and/or a foursome. Individual golfers are welcome as well. We've designed this event to fit every budget. Golfers, please sign up soon as space is limited to 144 players. Your participation and support for our students will be greatly appreciated.

So tee it up, have fun, and know that you'll be making a sound investment in education. This fun day includes on-course contests, prizes, gifts, great food, and 18 holes of fabulous golf at one of the greatest facilities anywhere. Robert Trent Jones designed this championship course, which is a qualifying site for the Travelers Championship on the PGA Tour. The Jones course is a golfer favorite with varying dog legs, water hazards, and yardage ranging from 6,200 yards to more than 7,000 yards from the championship tees. Golfers of all abilities say, "You don't want to miss this course!"

Please contact either of us with questions. Hope to see you June 5th!

Sincerely,

Mike & Judy
